

REQUIRED – 2 PLAYER COACHES FOR THE 2017/18 SEASON MIDFIELD AND FRONT ROW

Kenilworth RFC, a particularly warm, friendly and traditional town club in South Warwickshire that currently plays at Level 6 in Midlands 1 (likely to be Level 7 next season due to a severe ongoing injury list) is looking to appoint two Player / Assistant Coaches to support the Head Coach. Should relegation occur, we are intent upon a swift return.

Kenilworth regularly runs two Senior, a Barbarians (U23's), Colts, an occasional 3rd XV and Pirates (Vets) sides as well as attracting over 300 mini and junior players each Sunday. The club has a well-justified reputation for playing open, attractive and flowing rugby, supported by very competitive and combative forwards.

The Role: To assist the Head Coach in the planning and delivery of training; participate in team selection; regularly play and assist in the management and leadership of the 1st XV on match days.

The Candidates: Self-driven individuals with excellent communication skills and experience of team leadership, direction and management. Previous coaching experience is very much preferred – qualified to Level 1 but may consider others with strong evidence of playing experience. Experienced and good standard rugby players with a good knowledge of the game, particularly in $\frac{3}{4}$ play or Forward play. The confidence and aptitude to coach senior players and provide constructive feedback as required. **A Midfield player / coach and a Front Row player / coach is preferred.**

The Offer: A chance to develop your coaching experience with a squad of loyal and dedicated players including many young players who have progressed through the age groups. Access to excellent physiotherapy and sports injury services. Kenilworth seeks to retain traditional values and remains very much an amateur rugby club, but the successful applicants will receive a basic weekly remuneration together with expenses.

Potential applicants should be aware that the club is in the late planning stages to move to a new purpose-built facility with many extra and top-class playing, training and social facilities.

To apply: Please submit a CV / summary of your rugby experience, together with a covering letter of application to: bruce.doe@btinternet.com

Should you require further information, or wish to discuss please ring: 07595 893825

Closing date for applications: Friday 14th April 2017
