2nd May 2018

Dear Peter, Lyndon and all at KRFC,

I just wanted to take this opportunity to thank you for inviting the Tenovus Cancer Care Swansea *Sing with Us* choir to perform for you at KRFC this weekend. The feedback I have had from the choir has been fantastic and they all thoroughly enjoyed their whole weekend. I'd just like to share one quote with you from one of my choristers after the event who I feel has really summed up the wonderful opportunity we've had:

"I just wanted to thank you for this weekend. It was a very tiring weekend but a fabulous one - quite an experience to be part of! I've been in the choir for 6 years now and I have to say, they were best gigs I've ever done!"

I think it's fair to say that there was a lot of 'hwyl' in the room on Saturday night, and it was so lovely as choir leader to see my choristers having such an amazing time and being so well looked after. Although they were a little tired on the Sunday morning, they also thoroughly enjoyed performing in the village hall – an event that really added to their 'tour'! Please pass on my special thanks to Peter, Lyndon, and Serena for all their hard work and support to get us up to Kenilworth and to make this weekend possible, and please all pass on our thanks to all the wonderful people who came to watch and support us at both events. Please find enclosed a certificate with the total raised from both events, which we'd be delighted if you could share with the members of KRFC.

If there is any other event for which a choir may be appropriate, please don't hesitate to get in touch as it has been our pleasure to have worked with you.

All the best,

Best wishes

DMorris

Thank you

Kenilworth RFC

For raising £ 1839.92

On behalf of Ruth and everyone in the *Sing with Us* Swansea Choir,
thank you for such a wonderful evening, we really couldn't do what
we do without the generous support of people like you!

You are helping us to support cancer patients
and their loved ones in your community.

Give hope. Help cope.
